Imam W.D. Muhammad

4-24-77

4th Sunday Broadcast

Undercover activity in Masjid

but they are no threat to the advancement of Al-Islam. Don't be discouraged by them, they can't hurt us but ~~the~~ only help us.

Some stopped with Elijah, some stopped with Imam's teaching a year, but you can't stop until you reach Mecca and put your hand in Abraham's.

Those who don't want the Arab Prophet are racists.

The whole purpose of Imam to give us real Islam rather than a brand of Islam.

Those that turn away, were always gone.

Went to Newark, Mayor Gibson gave a small party where Imam met many leaders in the community.

Master Elijah + Imam were united when Master died. Master told his Minister that W.D. could teach that gospel anywhere in the world.

Who knows more about Master's teaching than the Imam

True Islam will make you equal to anyone.

Master gave us an emotional + sentimental blackness.
Blackness on your tongue, but your mind supported
White Supremacy.

Imam: "I am the only free man in America"
"don't have me, can't buy me."

300 yrs of slavery has left a lot of weaknesses in us.

"Allah stops the rain for me"

Ignorant leaders trying to keep control
of the people tell you this + that is wrong,
everything is wrong except what they have.
This is the problem of this world.
Give the people freedom and room
to think.

Most of us have to feel the truth in what
the Chief brings, but a few have enough
knowledge to know.

We have The Religion, the same as
Abraham, Moses, + Jesus, only much
more.

Sun toasted us into our genes.

Some Christians complain about Caucasians coming into Masjid and satisfied with the Caucasian Jesus on the cross.

Why don't Bilalians who want Black in text books, want black in Bible.

H.Q. - says every community has had a Prophet
- gives no image of Divine.
- Prophet said no superiority of color, tribe, or nation.

We have a burning desire for Black religion because we ^{have} lived under White religion

God is helping us from every angle to free ourselves from the grip of White Supremacy

History of India and Aryan People - first to establish White Supremacy. (Light is White)
(Black is Ignorance, Darkness)

Light ~~will~~ see by has no color invisible, transparent
Can't look at the white sun (blinding)
Can't walk by Whiteness or Blackness
Ice - transparent (solid) Snow & white (soft)

Must dignify ourselves by dignifying our outlook on life.

Christianity is a helpless religion, because it tells you that Jesus must save you. You can never dignify yourself with that. Prophets merely point the, you must dignify yourself.

Jews looking for political + economic influence + control, gave the gentiles their image (~~image~~) and who came from Jews. Told them to preach that everything would return to Israel.

Gave them twisted scriptures that would make them weak and would come back to Jews for guidance.

Wicked Plan

Get control of earth by first putting the Gentile on top of everyone else by White Supremacy. Then that corrupt teaching will make them weak, and then return to Jews (Israel).

Most Preachers are preaching against forces of Satan - teaching honesty, charity, etc.

(Worse off) In the streets, you are not even getting that.

Boycott + Demonstrate until we get that Caucasian image out of our communities.

First the climate has to get right for fruit to come. Some want wealth now, but first our mind + spirit has to be right.

Iblis - God tells him - you don't have to submit now, but when I breathe into him My Spirit you'll bow down then.

Iblis - God you made me fire, i shape myself - so i'm not bowing down to someone that you have to shape.
Leader over forces after the world.

God made Abraham, Moses, Jesus, + Muhammad, + Imam + us and all are too much of a challenge for this world.

Learned confused by it, because its so simple. It is confusing because they didn't grow up with it. It is natural to those who have been righteous.
1st - Look at self and see your design.
2nd - Look at the world and see the pattern

Looking at rockets + buildings of Caucasian crushes your spirit. The environment is filled with their accomplishments. But if you look into self + the natural world you'll see something to give you that spirit - the power of God.

Holy Ghost - Quickening Spirit - Revelation

Sun - Divine Light

Moon - Prophet

Stars - Learned in Religion

Thy Kingdom come, Thy will be done on earth as in heaven.
We have to have leadership.

Holdover

Must let our members know the wrongs.

Must be exposed for wrongs. Bring up front.

We must check these wrongs. We are not going to let the society go down.

(but spying is a sin in Islam)

(Knowledge - READ)

Satan - nothing more than a certain unrotated posture (or nature) in the human makeup (nature to maintain a selfish wicked rule over society)

Revelation is revealing something about reality - what is revealed is also real.

HOLD OVER There is no magician, there is no magic, there is no spook, There Is Reality.

Spend - give away in charity

Fire - blazes out in rage in a greedy manner
- takes knowledge out of society, but doesn't give it back

(wild) Passions - not satisfied with enough, we want more than enough

Human Intelligence - gain knowledge to make ourselves look bigger or wiser, 'do what I want to do attitude' arrogance and greed
