Iman - Belief, Faith

No Compulsion so we must figure out if we believe in God and in Faith.

New World Patriotism - must believe to be loyal
Since it is new, it is hard to find reference
God is not new, but we are coming into a new understanding.

As Crown of Creation nothing we do is trivial
Must activate what we learn

God demands that there is no ~~god~~ but He
We are ~~manifesting~~ the words of the Declaration, etc, In God We Trust
We make these a reality

Pain is not necessarily negative
the ~~pain~~ of thought of being an American

No Just Estimate has been made of God
How can we expect to grasp God
There is no life without design + order

Everyone has religion - either with God
or against **God**

God wants human society to live.

Absent in Faith, Absent in Belief - like a
plant in the wrong soil. But man
can move.

Our problems are problems of passion

Jesus a sign of Ascending Spirit.

House not full, but is full because you
represent your family, your community,

Sura Expansion - expanded thy breast
spirit the heart beat of man

Love the truth

~~Remove from thee thy burden~~

From W.D. Muhammad

Jobs terminated in Chicago

1930 July 4 Fard Muhammad came to Detroit with a symbolic religion social reform, doctrine etc.

His premise was the people had no love for self + had been made primitive. Symbolic shell was used to give people the surface thought of power. Taught sacrifice, 1 meal, no medicine. Hunted at working against America.

HEM began to form the community the way he saw best. Took it off the high rational level and put it on a more Christian like level.

He took the spiritual life out completely.

HEM changed it also every 10 yrs to adjust with community ears.

Didn't say he was a messenger like Prophets. Said he received his from the mouth of god in the flesh. He said god is nothing but power and force.

social reform concept in the name god a cultist god, secret society god, gang god

He used the term job as social reform
HEM said I am not teaching you religion
his job to only pull you out the fire
Just like Yacub built his nation, must build
They accomplished their job of social reform

The most phenomenal movement amongst
Bilalians was Master Fard, H.E.M., L.F.N.O. I
M.F.M. - raised the H.Q. above his teaching
told HEM not to read Quran, but to
teach his children to read it. HEM
didn't have the mind.

"I will never denounce Master Fard"
He worked wrong, but he worked to bring
right in, in time. I'm not condoning it
though.

Seek by whatever means the after life, but
don't forget your share of this life
Devil by Nature
Nature can be changed by changing the habits

Holy Quran says all nations had Prophets

Master Fard - Compassionate Destroyer - sign
in the right direction

A Chapter closed but one not to be forgotten

Resurrection of Modern World shows
a resurrection from symbolisms

Bard - I wear a beard for a symbol
not to show wisdom, but to curb false
wisdom.

Hair - symbolically means knowledge

We use God's nature to symbolize meaning

Head hair - common knowledge

Mustache - worldly knowledge

Beard - spiritual knowledge

America - many birth pains

but America's Bible + Madams never give up the
will to grow and develop. As long as you
have that will, you have a future.

Old world fails because it resists force to keep demand

Mission - To Renate Human Rights

God presents problems for us with solutions.

We create problems without solutions.

Must learn to master the animal eyes of this world.

How Heaven - New Faith - Remaking of Our Social Life

God disturbs our peace to force us to higher level

Bahá's mission to set upright example

The community to one single unity

This community is one single community

Guardian Master - Allah

- ①. Must accept TRUTH
cleanliness next to Godliness - clean environment
Wudu
- ②. Must have loyal faith in Truth
become an obedient student of Truth
- ③. Must seek to know ourselves in the light of Truth
In the light of Holy Quran for Muslims.
don't take symbolism to hid underneath

Creation of Man - the Creation of a Ruler, Taker of
a Successor, to take up the work of
God, (Caliph, Adam)

Serpent - the mind that contends with truth,
twist the truth

starts in desires, become twisting serpent

Man Rises + Falls, rises + falls, but gains experience
until he can knock serpents head off.

By the Time, man is in lost -

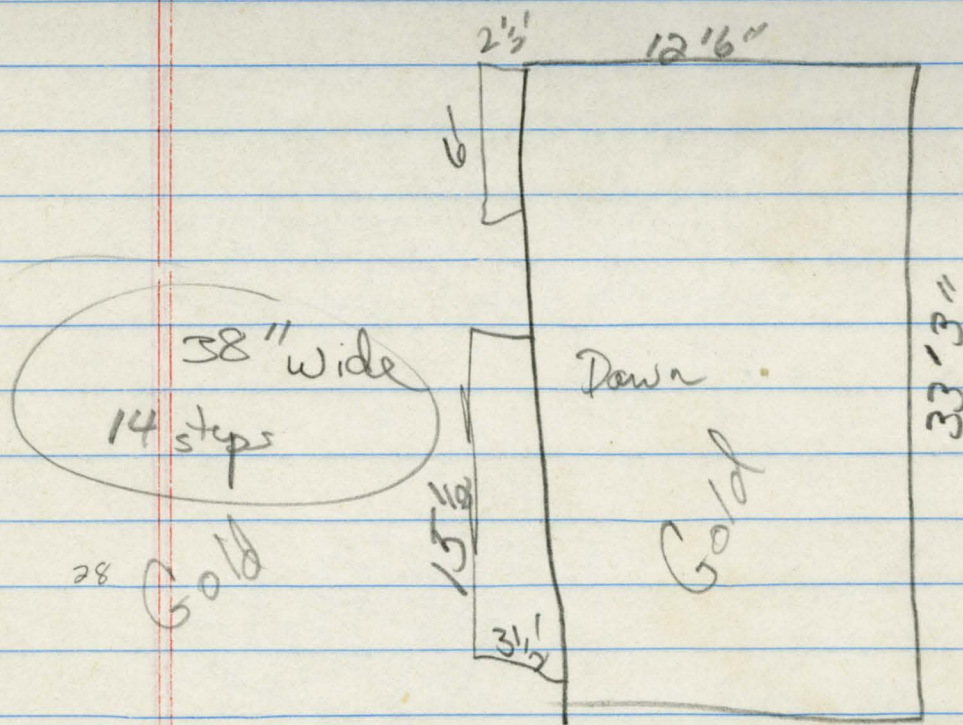

except - a formula - practice faith
practice good works

Must support good works, not enough to know them
promote the support for patient persons
don't be spooky, but wait and continue the good
work.
